NON-WARRANTY—If any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untruthness to name, to replace such stock as originally ordered or to refund the purchase price. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty or undertaking, express or implied.

October 18, 1930

NOTE.—We have had no dry weather to affect nursery stock at Topeka. In September and to date in October we have had nearly eleven inches of rainfall, putting ground in excellent shape for digging. We understand in some sections it is impossible to dig stock with good roots on account of dry weather.

Note rainfall for the growing season as given by the Weather Bureau:
